

# East Contra Costa County Watershed Symposium

Thursday, March 30, 2006 from 5:30 -8:00 pm  
at

**Pittsburg City Hall**  
**65 Civic Drive, Pittsburg**

Featured Presentation:

## *Re-envisioning the Delta: Nature, Levees, People and Our Drinking Water*

Can a Katrina style disaster happen in the Delta?  
What would happen to our drinking water if the Delta's levees fail?  
Can we restore the Delta for fish, wildlife, and future generations?

*John Cain*  
*Natural Heritage Institute*

### *ALSO, What's Happening in Our Local Watersheds:*

- *Kirker Creek Watershed (Pittsburg & Antioch area) and*
- *Marsh Creek Creek Watershed (Brentwood & Oakley area)*

- Overview of each watershed
- Local protection efforts, education and other activities
- Results of creek mapping unveiled

Informational exhibits and hors d'oeuvres at 5:30; Program 6-8 pm. For directions go to:  
[www.cocowaterweb.org](http://www.cocowaterweb.org) or contact [kono@cd.cccounty.us](mailto:kono@cd.cccounty.us)

Presented by

**The Contra Costa Watershed Forum**  
*Contra Cost Watersheds Are Ours to Protect*
